### Investor Identification

The Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ('AML Act') requires Trust Management to verify the identity of new clients and periodically reconfirm information about existing clients. At the date of the attached Product Disclosure Statement ('PDS'), our preferred option is to confirm your identity electronically.

### Electronic Identity Verification and Proof of Address

Trust Management confirms the identity and/or New Zealand address of our investors electronically, with their permission. Please note that we use an external third-party system not owned by Trust Management to conduct identity checks in this way. We will send you a link for you to conduct the check electronically.

The following information will be required:

- Your full name, as it appears on your identity document
- Your address
- Your date of birth
- Details of your identity document: the passport number and expiry date or, the driver's licence number and version number. Please note that your passport or driver's licence must be current i.e., not expired or cancelled. A passport that has been cancelled and reissued cannot be verified online, even if it has not yet expired.

The address search checks your address against records held by the Companies Office, Land Information New Zealand as well as other databases. If your address is not held in any of these databases, the automatic verification service will return a message saying that your address could not be verified. If the online verification method fails to identify you, we will contact you to obtain physical certified documents.
